## A Compendium of important orders relating to the History of Services.

(1)

After consulting all the Accounts Officers, the Auditor-General has decided that, in order to meet the wishes of the Secretary of State, 1st August should be fixed as the due date for the issue of the History of Services corrected up to 1st July, and 25th August as the date for the copies to reach the India Office.

(Paragraph 2 of the letter from the Auditor-General to the Deputy Controller, Printing, No. 598—Admn./94—26, dated the 16th June 1926.)

(2)

The History of Services will continue to be compiled by the Accountant-General, Punjab, to whom all references should be made in regard to errors or omissions.

(Paragraph 4 of the letter from the Punjab Government to all Heads of Departments, No. 14103 (H.—Gaz.), dated the 4th May 1927.)

(3)

Letter from the Government of India, Finance Department, to the Auditor-General, No. F/57/III/R. II, dated the 29th September 1928.

Subject:—Preparation of the History of Services.

In reply to your letters No. T. Ar. G. 117/436-Admn.-24, dated 3rd February 1928, and No. 285—Admn.—436—24, dated the 21st February 1928, on the above subject, I am directed to say that, after consulting the various Departments, the Government of India have arrived at the following conclusions in regard to the three points raised by you:—

- (i) The histories should be prepared on a departmental basis. In the case of Departments, e.g., Income-Tax, the officers belonging to which are not transferable all over India and whose duties are confined to particular provinces, their histories may continue to be shown in provincial compilations.
- (ii) The Government of India do not agree to any substantial change in the form of the histories of services. They consider, on the other hand, that it would be useful if (i) the dates of birth of Indian Civil Service officers serving in Central Departments or Services could be shown in the histories, and (ii) in the case of every officer, the domicile and religion (or community), and in the case of Indians the province of origin also, For the purposes of the latter it would be necessary to employ symbols and explain them in a prefatory or other note.

- (iii) If the details regarding an officer (including those who are members of the Indian Civil Service) serving temporarily, or in a tenure post, in a department of the Central Government are shown in a provincial or central (as the case may be) history of services, they should not be reproduced in the history of services of that Department, it would be sufficient to make a reference in that history to the provincial or central volume, as the case may be, containing the details. In the case of officers permanently transferred to Central Departments, e.g., the Indian Audit and Accounts Service and the Imperial Customs Service, their full particulars should be included in the histories of services of those Departments.
- 2. The Government of India have also decided that the following improvements in printing the histories of services should be adopted:—
  - (i) Vertical lines should be omitted.
  - (ii) Separate date columns for substantive and officiating appointments should not exist. With a single date column there will be altogether four columns, viz., for Station, Date, Substantive appointments and Officiating appointment.

#### (4)

Letter from the Government of India, Finance Department, to the Auditor-General, No F/57/III/R-1I, dated the 7th November 1928.

Subject:—Preparation of the histories of services.

WITH reference to paragraph 1 (1) of this Department letter No. F/57/III-R. II, dated the 29th September 1928, I am directed to say that only in the case of the following Departments the histories of services should be prepared on a provincial basis:—

- (1) Income-tax Department (except Commissioners of Income-tax).
- (2) Opium Department.
- (3) Salt Department (except officers of the Northern India Salt Revenue Department).
- (4) Customs Department (except officers of the Imperial Customs Service).

In the case of all other Central Departments the histories should be prepared on a departmental basis.

(5)

The Auditor-General has, with the concurrence of the Government of India, decided that particulars of War Services which have a bearing on pay, promotion leave or pension should be shown in the History of Services.

(Letter from the Controller of Civil Accounts to all Civil Accountants-General No. 1669-Admn. C/436-Admn., Pt-II-24, dated the 12th December

(6)

By "Province of origin" in paragraph 1 (2) of Government of India, Finance Department, letter No. F/57/III/R. II, dated the 29th September 1928, is meant the province in which the officer was domiciled at the time of his appointment in accordance with the rules for the determination of domicile.

(Letter from the Government of India, Finance Department, to the Auditor-General, No. D-3968-Ex. I, dated the 3rd October 1929.)

Letter from the Punjab Government to the Accountant-General, Punjab, No. 451-S-Gaz., dated the 20th May 1929.

I am directed by the Governor in Council to say that particulars as to the dates on which honours, titles and decorations are conferred on officers are already incoporated by your office in the History of Services of gazetted officers serving in the Punjab. This practice is confirmed.

2. As regards the recording of nominations of officers as members of legislative bodies. I am to observe that in case of the Provincial Legislative Council changes of membership are so frequent, not only from session to session, but also even during a session that it is doubtful whether the value of such a record would be commensurate with the labour involved. In the case of membership of the Council of State and Legislative Assembly, however, the Governor in Coun il agrees that the necessary particulars should be recorded in the History of Services of the officers concerned.

Paragraph 1 of the letter from the Punjab Government to all Heads of Departments, No. 20989 Gaz., dated the 25th June 1929, as amended by their letter No. 10381-Gaz., dated the 25th March 1930.

4. Caste, tribe, name of family (in the case of Indians).

5. Titles and honours.

7. Periods during which nominated as a Member of the Council of State or Legislative Assembly,

I am directed by the Governor in Council to request that the Accountant-General, should in future be furnished not later than the 15th April each year with a statement of any additions and alterations required to the History of Services of Gazetted Officers of your Depart-The information noted in the margin should invariably be supplied in respect of any new names. Similarly such information should be brought up to date in

(9)Letter from the Punjab Government to all Heads of Departments, No. 12024 (H.—Gaz.). dated 7th April 1931.

I am directed by the Governor in Council to refer to Mr. Beazley's letter No. 20989-Gaz., dated the 25th June 1929, in which you were requested to furnish the Accountant-General, Punjab, with certain information for inclusion in the History of Services of Gazetted Government
